CAMPUS VISITS

The Office of Admission encourages prospective students to visit our campuses. Options for visiting the McMinnville campus can be found and reserved online. For the most productive visit, we encourage advanced registration. Visits to the Portland Campus are by appointment only.

Any student visiting Linfield University, formally or informally, is expected to abide by the policies in the Linfield Student Policy Guide (see www.linfield.edu/policy (<http://www.linfield.edu/policy/>)). Any violation of the Policy Guide will be documented and placed in a student's application file should the student apply for admission to Linfield. Such matters may be considered in the admission decision process, and if the student is offered admission, may require the involvement of the Office of Student Affairs.

For more information, please consult the Admission (<https://www.linfield.edu/admission/visit/visit-options.html>) webpage or contact the Office of Admission at (503) 883-2213.
