

# APPLICATION PROCEDURE & TIMELINE FOR STUDENTS APPLYING TO THE TRADITIONAL BACHELOR OF SCIENCE IN NURSING PROGRAM

## STUDENTS APPLYING TO THE TRADITIONAL PRELICENSURE B.S.N. PROGRAM

All prelicensure nursing applicants will apply for admission using NursingCAS, the centralized application system for nursing programs. Applicants will be required to pay an application fee of \$70 to NursingCAS. Please refer to the Admission and Application Requirements for the Prelicensure Nursing Programs on the website for further information.

## School of Nursing Prelicensure B.S.N. – Admission Timeline For Fall and Spring Applicants

| Date        | Event                                                                                                                                                                                                                                                                             |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| November 1  | Fall application opens in NursingCAS                                                                                                                                                                                                                                              |
| April 1     | Fall application deadline                                                                                                                                                                                                                                                         |
| May 15      | Notification of admission decision to fall applicants                                                                                                                                                                                                                             |
| June 15     | Deadline to accept offer of admission to the fall cohort                                                                                                                                                                                                                          |

| October 1   | Application deadline for spring applicants                                                                                                                                                                                                                                        |
| November 15 | Notification of admission decision to spring applicants                                                                                                                                                                                                                           |
| December 16 | Deadline to accept offer of admission to the spring cohort                                                                                                                                                                                                                        |

January 17

Final materials deadline for all requirements to be met and final transcripts received for students starting the Traditional B.S.N. program in the spring semester. Requirements include successful completion of all prerequisite courses and compliance documentation.

The nursing major is an upper division major and students may apply for admission after completing specific course prerequisites and credit hours. View Admission Requirements (<https://catalog.linfield.edu/admission-policies/prelicensure-nursing-programs/admission-requirements/>).
