

DEFERRING ADMISSION

Admitted nursing students to the traditional BSN program wishing to defer their enrollment must submit the Deferral Request Form, available online from the Office of Admission no later than the Final Materials Deadline for that enrollment cycle. Deferral requests for the accelerated programs are not available. Examples of reasons to request a deferral may be for the purpose of mission work, international or cultural exchange or experience, semester or year-long service or leadership work, or other. If deferred enrollment is approved by the director of admission, the admitted student must pay a non-refundable \$400 matriculation fee and will be assigned to the next available term for the same program.
