The Secondary Education major is a second major only. The Secondary Education major leads to teacher licensure in a content area endorsement area. Linfield's Teacher Education Program is approved to recommend candidates for the following teaching license endorsements: Art, Biology, Chemistry, Drama, English Language Arts, French, Health Education, Mathematics, Music, Physical Education, Physics, Social Studies, and Spanish. A Secondary Education major without a content area major would not lead to state licensure. As a result, students may not graduate from Linfield with a Secondary Education major as their only major.

Student Learning Outcomes

1. Apply research from multiple learning theories in the development of praxis, including classroom community and culturally responsive teaching.
2. Demonstrate competence in professional dispositions of the discipline.
3. Demonstrate the ability to think critically and write clearly within the discipline.

Oregon Preliminary Teaching License Requirements

- Bachelor's degree in an approved major
- Part-time and full-time student teaching
- Successful completion of one edTPA
- Passing scores on TSPC required exams
- Minimum 2.750 GPA in cumulative, major, and licensure coursework
- No grade lower than a C in major and licensure coursework
- Recommendations from Linfield University supervisors and mentor teachers
- Recommendation from Linfield University Education Department

The Linfield University Teacher Education Program is accredited by the Teacher Standards and Practices Commission of Oregon (TSPC), which expects Linfield students to understand and abide by the TSPC administrative rule concerning the Standards for Competent and Ethical Performance of Oregon Educators (OAR 584-020), which states in part, "The ethical educator in fulfilling obligations to the profession will maintain the dignity of the profession by respecting and obeying the law [and] exemplifying personal integrity and honesty." In addition, students are expected to meet Interstate Teacher Assessment and Support Consortium (InTASC) Standards and Linfield Education Department Professional Characteristics and Professional Conduct Expectations throughout the program. Concerns will be documented and acted upon, as needed, via a Plan of Assistance. Requirements for licensure are subject to changes mandated by TSPC. Students should work closely with Education Department faculty in planning their program of study and must meet with their education advisor every semester prior to registration. Failure to do so may result in being administratively withdrawn from education courses. Decisions regarding a student's official status in the Teacher Education Program may be appealed through the University Academic Grievance Process. Students may request special consideration for education requirements by completing an Education Department Petition. Students applying for teaching licenses in states other than Oregon are themselves responsible for obtaining requirements in those states.
