Study Abroad ²		11
Study abroad for one semester. Up to 12 credits taken during semester abroad can be applied to the minor.		
Total Credits		20

¹ At least one course must be at the 300-level, completed upon return from study abroad.

² Students become eligible to study abroad after completing at least one 200-level course. Students must consult with Global French faculty early in the process before choosing a study abroad site in France, because each program has specific requirements.

All courses applied to the minor must be completed with a grade of C or higher.

- Demonstrate intercultural literacy and global awareness through study of Francophone cultures.
- Analyze and interpret diverse cultural products (films, texts, archives, marketing, foodways) in translation.
- Engage with authentic French-language sources (at appropriate level) through CLAC modules and/or language coursework.
- Apply global French perspectives to contemporary issues (migration, environment, business, sustainability, etc.).
- Communicate effectively about French-speaking cultures in academic and professional contexts.
