

# PROJECT MANAGEMENT CERTIFICATE (OCE ONLY)

---

The program is offered only through Online and Continuing Education (OCE).

The Project Management Certificate provides students and professionals from all disciplines the skills required to manage projects within an organization, including the process related to planning, implementation, reporting, and completion. The program will focus how scheduling, budgeting, procurement, risk management and personnel management impact success. Students will learn the latest Project Management Body of Knowledge (PMBOK® Guide) to prepare for the PMP® or CAPM® certification exams.
