

# GUESTS AND VISITORS

---

Guests and visitors shall abide by Linfield policies as well as the Guide to Living at Linfield. Those who invite guests to campus are responsible for their guest's behavior and will be held accountable for their guests' actions. Residents who host overnight guests must have permission from their roommates to do so and must notify their RA in accordance with the policy in the Guide to Living at Linfield.

To avoid the cost of a "No Permit" citation on either McMinnville or Portland campuses, Linfield community members must notify Linfield Public Safety they have a temporary or overnight visitor vehicle on campus. There is no overnight parking on the Portland Campus. Vehicles can be registered online, in person, over the phone, or via email.

To register a vehicle please provide the following information:

Name and phone number.

Vehicle plate number.

Vehicle make, model, color, & year.

Visitor's name and phone number (visiting vehicles only)

As long as your vehicle is parked in accordance with Oregon state law and the Linfield University Traffic and Parking Regulations, there should be no problem. Your visitor may park in any regular parking space. Should you receive a citation, contact the LPS office for further instructions.
