

SALES AND SOLICITATIONS

Linfield prohibits on-campus sales, in any form, of goods or services not contracted for or by the University, ASLU, or their officially recognized clubs and organizations. All authorized vendors must be registered and approved by the Director of Student Activities in McMinnville or the Student Life Office in Portland.

Every vendor must be sponsored by a Linfield department or organization. The sponsoring organization or vendor may seek approval from the Office of Student Activities.

Upon approval, the Office of Student Activities must approve the time and location of the visit and/or sale. No sales or solicitations may be conducted door-to-door.

Any Linfield organization may sponsor only one such sale per academic year. The vendor must post a sign at the point of sale indicating the sponsoring organization.
