

VETERANS BENEFITS

RETURN OF FUNDS: UNEARNED MILITARY TUITION ASSISTANCE

Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student drops or withdraws from a course for which TA was awarded, the student may no longer be eligible for the full amount of TA funds that were initially awarded.

To comply with the Department of Defense policy, Linfield University will return any unearned TA funds on a prorated basis through at least the 60% portion of the term for which the funds were provided. TA funds are earned proportionally during the term, with unearned funds returned based on when a student stops attending. These funds are returned to the Military Service Branch that provided the funds.

In cases where a student stops attending classes due to a documented military service obligation, Linfield will work with the student to ensure that the return of TA funds does not result in student debt to the university.
