

# BILLS AND PAYMENTS

## PAYMENT PROCEDURE

Linfield University does not send paper statements. Online students are billed charges once they register for their courses each semester and will be available on your Nelnet Student Account Portal. Monthly thereafter, students will receive an electronic billing statement and an email to log in and check their account balance if there is a balance due. This typically includes tuition and mandatory fees and course related fees for the term. All tuition statements and student account billing activity are available electronically on the Nelnet Student Account Portal, <https://selfservice.linfield.edu/student/finance/nelnetpayments> (<https://selfservice.linfield.edu/student/finance/nelnetpayments/>), which can be accessed through Self-Service. Students will receive an email notification when electronic statements and any monthly notifications are available for viewing and printing.

The payment procedure necessary to finalize Student Account arrangements includes specific date requirements which must be met. Each student, without exception, must do one of the following each semester:

1. Pay in full so that the account balance is zero by the first day of the semester start date.
2. Set up a Payment Plan: A deferred tuition payment plan is offered through Nelnet. The amount of the plan is based on semester billed charges (include January term charges in your spring semester plan). Payments for fall semester may be made in 6, 5, 4 or 3 installments beginning May, June, July, August, and September, and ending in October or November. Payments for spring semester may be made in 6, 5, 4 or 3 installments beginning November, December, January, and February, and ending in April. There is no interest charge if all payments are made as scheduled with Nelnet. However, if a payment is late, Nelnet will assess a \$50 late fee, and Linfield will assess a 1% per month finance charge for the remainder of the payment plan. Additional Nelnet payment plan information is available in the Student Accounts Office. A payment plan with Nelnet may be established online at <https://selfservice.linfield.edu/student/finance/nelnetpayments> (<https://selfservice.linfield.edu/student/finance/nelnetpayments/>) and paying the semester plan fee (varies depending on campus), or,

*Linfield Educational Services Agreement:* The Linfield Educational Services Agreement (LESA) is your student account financial agreement between you and Linfield for your financial liability to the University. **All** students are required to access and agree to the terms of the LESA via WebAdvisor on an annual basis.

*Net Financial Aid:* All net financial aid must be applied to the student account by the 6th week of each term; once meaningful interaction has been met and confirmed. To ensure these dates are met, students must submit the proper documentation to the Financial Aid Office in a timely manner. Some financial aid cannot be applied to the student account until after classes begin.

Students are expected to complete financial arrangements before classes begin. The consequences of not adhering to these dates will range from late fees to other fines set by the university, up to and including cancellation of enrollment.
