Military and veteran benefits

Linfield University is authorized by the U.S. Department of Veteran Affairs to certify students who qualify for the Montgomery GI Bill (Active Duty, Selected Reserves), Survivors' and Dependents Educational Assistance Program,

Reserve Education Assistance Program, as well as those who qualify for the Post-9/11 GI Bill®, Yellow Ribbon and Vocational Rehabilitation.

Linfield University gives credit for prior learning (<https://catalog.linfield.edu/academic-policies-procedures/undergraduate/credit-for-work-not-completed-at-linfield/#creditforpriorlearningtext>) for a variety of experiences: on the job training, non-credit workshops, travel, personal interests, life experience, and volunteer responsibilities, as well as for training completed through military service. We work with veterans and active-duty personnel all over the world to aid in the access of a quality education at Linfield University by using their GI Bill® benefits.

In addition to military programs and assistance, there are other forms of financial assistance. Our financial aid team can help. Explore financial aid: <https://www.linfield.edu/financial-aid/index.html> (<https://www.linfield.edu/financial-aid/>)

RETURN OF FUNDS: UNEARNED MILITARY TUITION ASSISTANCE

Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the entire period for

which the assistance is awarded. When a student drops or withdraws from a course for which TA was awarded, the student may no longer be eligible for the full amount of TA funds that were initially awarded.

To comply with the Department of Defense policy, Linfield University will return any unearned TA funds on a prorated basis through at least the 60% portion of the term for which the funds were provided. TA funds are earned proportionally during the term, with unearned funds returned based on when a student stops attending. These funds are returned to the Military Service Branch that provided the funds.

In cases where a student stops attending classes due to a documented military service obligation, Linfield will work with the student to ensure that the return of TA funds does not result in student debt to the university.

CHAPTER 31 AND 33 PROTECTIONS

Covered individuals entitled to educational assistance under Chapter 31, Vocational Rehabilitation and Employment, or Chapter 33, Post-9/11 GI Bill®:
